OLD TIMERS SAY RAIN WILL HELP

PLEVNA DISTRICT LOOKS FORWARD TO BUMPER CROPS AS A RESULT. OTHER ITEMS OF INTEREST FROM THERE

(Herald Special Service)

PLEVNA, Jan. 7.—The heavy rains and warm days of the past week are considered by the oldtimers to be unusual for this time of year, but are going to be of great benefit to the farmers, for the soil is almost as wet now as it generally is in the spring. Owing to no irrigation, the farmers of Plevna are looking forward to large grain crops next season, should the spring season open moderately early.

NEW YORK LEGISLATURE MEETS

Democratic Senate, Republican Assembly and Other Enmities Promise to Make This Session an Exceedingly Warm One

United Press Service

ALBANY, Jan. 7.—With a well-blessed Tammany senate glaring across the corridor at a defiant republican assembly, the New York legislature of 1914 convened here today. It is the first New York legislature that ever had an impeached governor in its membership, and the first that has had a free lance assembly, although the republicans elected a majority of the members.

The republicans had looked forward to this session as an opportunity to enact such progressive measures as workmen's compensation, direct primaries and reform ballot. A republican conference in New York pledged the assemblymen to these measures, but the democrats forestalled the gathering of this political ammunition by passing these same progressive bills during the final days of the special session of the democratic legislature.

Former Governor Sulzer, now an assemblyman, bears the unique distinction of being virtually a "man without a party." He cast off the

held during the two weeks previous, but a good program is promised for next week and the meeting will surely be well attended if the mud is not too deep—and it does take some mud to keep Plevnaites away from literary club meetings.

Chas. Inman had a runaway with a four-horse team and bob-sled at the H. F. Murdock ranch Monday. A smashed hay rack and a case of "nerves" was the only damage.

School was resumed at the Plevna school Monday, after a two weeks' vacation. The school house was thoroughly cleaned and the floor oiled during the vacation period by Chas. Sevits.

Mr. and Mrs. H. F. Murdock were in Klamath Falls on business Saturday.

Geo. Heavilin and family visited at the Ess ranch Saturday.

D. W. George, G. F. Sevits, Geo. Heavilin, Geo. Shell, R. A. Alford and Geo. Ager were in Klamath Falls Monday on business.

Geo. Ager and family visited at the Alford ranch Sunday evening.

Jess Jarvis, a Klamath Falls butcher, was in Plevna community Monday buying beef.

Clifford Sevits returned to Klamath Falls Tuesday to resume his studies in the junior class of the county high school.

democrats following his impeachment and was elected to the assembly on the progressive ticket. The progressives, however, have not included him in their conferences and have not numbered him as among those to be relied upon by their party.

Just where and when the trouble will begin is the problem. Former Governor Sulzer is apt to vie with Assemblyman Hinman in getting in a stiff resolution to investigate everything democratic and Hinman wants especially to dig into the expenditure of the millions that have failed to finish the barge canal. Sulzer wants most of all a general uncovering of Tammany Hall's use of money at elections, but is not averse to any inquiry that would show up graft.

It is hinted that the democrats minority will join with the independents to do anything that will make real republican trouble, but this feature of the session will develop as opportunity offers.

At the outset the leaders will try to stave off the immediate introduction of investigation resolutions. They prefer to have but few and these dead, but admittedly it will be hard

to hold back Sulzer and several more of the determined independents.

The senate, although powerfully of the Tammany persuasion, is disposed to be really good. With the governors and with fear to do otherwise, it fairly well squared accounts with the people by the reform legislature put through at the close of the extra session. Now it sees no real reason for legislation unless the governor has something further in mind. Of course the usual "regular bills" will be introduced and very likely these will come in early. Otherwise the senate expects simply to keep an eye on the assembly and be prepared at all times to do the governor's bidding.

Since Governor Glynn is out to make a record and has declared that he will advise the legislature by message from time to time, rather than hand out everything at once, developments will have to be awaited from this source also.

The governor has to make several of the most important appointments in the gift of the executive and Tammany has long been anxious to know his choice. Governor Glynn has declared for a short session and few appointments.

IF HAIR IS TURNING GRAY, USE SAGE TEA

HERE'S GRANDMOTHER'S RECIPE TO DARKEN AND BEAUTIFY FADED HAIR.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray, streaked and looks dry, wispy and scraggly, just an application of two of Sage Tea and Sulphur enhances its appearance a hundred fold.

Don't bother to prepare the tonic; you can get from any drug store a 50 cent bottle of "Wyeth's Sage and Sulphur Hair Remedy," ready to use. This can always be depended upon to bring the natural color, thickness and lustre of your hair and remove dandruff, stop scalp itching and falling hair.

Everybody uses "Wyeth's" Sage and Sulphur because it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy, lustrous and abundant.

Put your faith—just once—in "Ely's Cream Balm" and your cold or catarrh will surely disappear.

Eggs Pass as Money
In the mountain sections of Arkansas eggs are used as money. With eggs merchandise can be purchased, and the moving picture shows accept them—children one egg, adults two.

To those who inquire how much they will have to pay for exhibit space, the answer is given emphatically at the Panama-Pacific Exposition headquarters that exhibit space is absolutely free in all the main exhibit palaces of the exposition.
